### Detangling Brushes

- ⊙ **Hair Type:** Suitable for all hair types
- ⊙ **Flexible Head:** Bends in all directions, allowing the brush to adapt to the shape of the head
- ⊙ **Anti-pull bristles:** allow detangling without any force, preventing damage to the hair
- ⊙ **Fast-drying:** the perforated base allows air to flow through, accelerating drying time
- ⊙ **Small & compact:** for detangling on the go
- ⊙ **For Wet & Dry Hair:** use first on mid-lengths to tips, then roots to mid-length

### Paddle Brushes

- ⊙ **Hair Type:** Wavy or curly, thick, long
- ⊙ **Rounded Bristles:** Massage the scalp, encouraging healthy & prolonged hair growth
- ⊙ **Use On:** Both wet and dry hair
- ⊙ **Use For:** Detangling & styling
- ⊙ **Ergonomic handle:** The non-slip material and shape make this paddle comfortable to hold
- ⊙ **Daily Care:** use first on mid-lengths to tips, then roots to mid-length. Start underneath, then from on top
